

## Torrance Moose Lodge Will Be Honored Sunday

Southern California Legion No. 6, Loyal Order of Moose, will honor the Torrance lodge, No. 785, this coming Sunday, Jan. 14, by holding the quarterly ceremonial in the civic auditorium here.

These ceremonies are held every three months, and as the Legion is the second degree of the Moose fraternity, it always is held in the home city of any local lodge that has done something outstanding for their lodge or community. Torrance lodge, No. 785, for their active part in civic affairs and showing the largest growth in the state per capita in membership during the past year, has been singled out to play host to the Legion.

Brother Roy L. Briggs, Noble North Moose of the Legion, said: "The Torrance lodge, for its outstanding work during the year 1944, for the active part played in their own community, for the tremendous growth in membership, for the capable handling of lodge affairs by the officers, deserves recognition and honors from the entire state in Mooseedom."

Brother Briggs will officiate at the initiation of a large class in honor of the occasion.

Arlie Prowant, vice president of the South Central district; Al Lusk, secretary of the California Moose Association; Jack Wade, district grand governor of the Legion; Antonio Entenza, district supreme governor of the Moose; James B. West, regional director for the states of California and Nevada, will all be in attendance.

## Three Torrance Men Join U. S. Maritime Ranks

It was "stow your gear and batten down the hatches!" for three more Torrance men this week when they arrived at the U. S. Maritime Service training base on Catalina Island. William Wright, 1453 W. 216th st., Clifford Stewart, 235 Linda Vista; Dale Harris, 1336 218th st. were the new volunteers.

Ideally situated 22 miles out in the blue Pacific, Catalina offers not only obvious advantages for sea training but also unique recreational facilities for hard-working apprentice seamen. On completing "boot" training at the famous resort, the men take a two-weeks cruise aboard the "American Seafarer," Maritime Service training vessel, and then are ready to qualify for their new jobs aboard the merchant ships which are playing such a vital role in winning this global war.

According to Lt. (jg) J. F. Grunden, enrolling officer at 514 West Sixth st., Los Angeles, enrollment is now open to all men, 17 to 50, who are anxious to sail in America's great Victory Fleet.

## No. 3 Substation Officers Shifted

Capt. Ray Bergh, head of the sheriff's substation No. 3 at Vermont and 108th st., reports that the New Year has brought a number of changes in his force. Lieut. Walter A. Bennett has been upped to lieutenant in charge of Malibu station and will be replaced by Dick Sumner, who has been raised from sergeant to lieutenant and transferred to Captain Bergh's force. Investigator E. A. Russell has been transferred from the Hollywood office to substation No. 3 and Deputy H. R. McGoughy has been promoted to desk sergeant.
